in San Luis Obispo, CA

Learn a Step-By-Step System to ENHANCE:

- * Mobility
- * Coordination
- * Physical Balance
- * Old Joints, muscles, bones
- * Comfort Level
- * Recovery Time from exercise
- * Positive Attitude

**All While DEEPENING Your
Communication, Bond &
Understanding Together!**

Inspirational Practical Solutions

Dogs may experience physical changes with aging that may affect mobility and comfort. Balance and coordination can decrease with age. Getting up on the couch, stairs, or hopping into the car may be more challenging and exercise may have decreased. Join us so YOU can Help IMPROVE Health, Behavior & Performance!
